

# Volunteers Needed!!

Please volunteer for one or more of these roles!! If you can help with either of these roles please email: ccttaemail at gmail dot com (insert appropriate symbols for "at" and "dot")

The CCTTA is extremely fortunate to be able to put on Time Trial events at Charlotte Motor Speedway that are enjoyed by a number of cyclists. A lot of work had been done over the years to refine and improve the events so participants can show up and ride. All of this is made possible due to a lot of work by volunteers behind the scenes - many who ride in the events themselves.

We often get questions about volunteering. There are two areas where your help is very much needed this year. We need help with setting up the start/finish lines and also with Bike Holders.

We start setting up the start line when the track is available to us, which is as early as 5:00 pm. We have a trailer with the equipment loaded on it so the activities will be helping unloading the trailer and setting up the items you have seen around the start/finish area. With enough volunteers, this can be completed in approximately one hour. We need 2-3 more people to help with this role for each event.

Start Line Setup                      5:00 p.m. - 6:15 p.m. (2-3 people needed)

The second area where volunteers are needed is for bike holders. Having bike holders is another one of those areas that helps to distinguish our events from others. We have been extremely fortunate to have had people step forward and volunteer in the past. However this year we are uncertain if we're going to have enough volunteers to step forward for this role. If we do not have enough volunteers for Holders we will just ask participants to use a standing start.

For holders there are two start lines and we will have two shifts of Holders-see below.

Line 1 Shift 1   6:20 pm - 7:30 pm

Line 2 Shift 1   6:20 pm - 7:30 pm

Line 1 Shift 2   7:20 pm - 8:15 pm

Line 2 Shift 2   7:20 pm - 8:15 pm

Now is your chance to volunteer! Please let us know if you can help with the whole series or even just one event! Email us today!! Please volunteer for one or more of these roles!! If you can help with either of these roles,
